## Barcelona GSE - La Caixa Scholarship Program

Dear Prof El Gamal,

The Barcelona GSE aims to attract the best students in the world to study in its master programs. This is why we offer scholarships based on academic merit.

Thanks to an agreement with "la Caixa", for the 2012-13 academic year, the Barcelona GSE will once again offer fully-funded scholarships addressed to top students who want to pursue a master degree at our institution. We want to give students with an excellent academic background the opportunity to come to Barcelona for one year of rigorous training that will prepare them for top jobs and doctoral programs.

We are contacting you because you have recommended students to us in the past. As your current students make their graduate school plans for next year, please feel free to [share the information](#) about these exclusive scholarships with any who may be interested and meet the above requirements.

Sincerely,

**Clara Kirchner**
