Dear Dr. El Gamal

On behalf of myself and Andersen Consult, I would like to thank you for your valuable contribution to the study which has been sponsored by the Danish Government's Business-to-Business Programme in Cairo and carried out by Andersen Consult.

We are confident that the high quality of your contribution on the market analysis and opportunities of fish feed will be of great value to the entire study focus on establishing a professional fish feed production unit in Egypt between local Egyptian partner, ZooControl and Danish partner Aller Aqua A/S.

It has been a pleasure to cooperate with you on this project and we look forward to cooperating with you whenever new opportunities arises.

With my best regards,
